

Lesson 3 Supplement #2
Evolution *with* Creation—Is It Possible?

Does the text of Genesis 1 & 2 match with evolution?

1. Meaning of the word ‘Day’

- 1) According to the italicized portion of this passage, what did God command the Old Testament Israelites to do?
- 2) In verse 10, God commands the Israelites to rest from their work on the seventh day. The beginning of verse 11 starts with the word ‘For.’ This means that what follows explains why God wants the Israelites to rest on the seventh day. According to the underlined portions of this passage, for what reason did God want the Old Testament Israelites to rest?

2. And there was evening, and there was morning...

By the repetitious drumbeat of “And there was evening, and there was morning...” what is God emphasizing?

3. The order of creation in the Bible vs. the order of evolution

List at least 3 differences in the order of creation vs. the order of evolution.

4. Imago Dei—the image of God

How were humans created differently than animals?

What does the theory of evolution erode?

5. The existence of Adam and Eve

If evolution is true, did Adam and Eve didn't exist. And if they didn't exist, what didn't they do?

6. What is death?

According to the Bible, what is death?

According to evolution, what is death?

How does the theory of evolution impact our faith in Jesus?

1.

2.

3.

To summarize:

When we change one doctrine of the Bible, what also will we always end up doing?
